

Annual Book Sale at the Stonington Village Fair
August 7, 2021

Instructions for Set-Up Shift Volunteers (8:00 – 10:30)

- Get an apron, put on a name tag, and sign the register. Put your personal belongings in the designated bins.
- Review the table layout diagram.
- Lay out plastic sheets so they will be under the tables to protect the boxed books from the damp grass. (Not necessary if sale is inside due to inclement weather.)
- Fifteen tables will be inside the library door (side entrance). Set them up outside or inside depending on the weather.
- Four tables will arrive by truck along with the books. Set up the tables outside or inside (use side entrance only) depending on the weather.
- Arrange all tables according to the table layout diagram.
- Book category and price signs will be secured to the tables.
- As trucks arrive on Main St. with boxed books, carry boxes to the correct tables according to book category.
- Neatly arrange books on the tables with the spines up. Keep excess books in their boxes and store them under the tables.
- Go to the cashiers' table with questions or problems.
- Water and other essentials are at the cashiers' table.
- Return your apron to the cashiers' table when you leave.
- Save the bankers' boxes.
- We hope you have fun and thank you for volunteering.
