

Using Beanstack Software Directions

1. Go to stoningtonfreelibrary.beanstack.org
2. Scroll down and click on "Register an individual or family"
3. If you have previously used Beanstack for a reading challenge, click on your account and choose the new challenge you want to sign up for
4. If you are new to Beanstack, you will create a new account. As the adult or guardian, you are the driver of the car. The account will be under your name and you can add other family members under your name.
5. Fill in all required fields which are marked with an asterisk.
6. Once you have created an account, you can register for the reading challenges you wish to participate in.
7. The Beanstack app for any mobile device is free in the app store and makes logging for multiple family members very simple.
